### **Product Summary**

DollarSprout Rewards is a free cash back browser extension that notifies you in real-time of cashback reward opportunities while you are shopping online, as well as finds and automatically applies the best coupons when you're checking out.

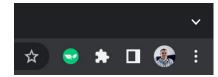

#### **How It Works**

- 1. User downloads the extension on Chrome or Safari
- 2. User shops online as normal
- 3. One click to activate cash back whenever a user visits an eligible merchant
- 4. Cash outs happen automatically each month via PayPal for balances over \$5
